

General FAQ's: How can I learn more about your company?

We are members in high standing with the Better Business Bureau online and locally in Louisiana. You may click the link at the very bottom of the home or product pages to view our BBB page. We are also a certified secure site by McAfee. You may click the link also at the bottom of the product pages view details on this. Finally, you can keep up with changes in our company by "liking" us through the Facebook link or "follow" us through the Twitter link to the right of the search field in the upper right of your screen. We often post exclusive details and coupons there.
