

General FAQ's: How can I remit payment with a money order or check?

A money

order or check can be mailed in as payment. The money order or check must be in the exact amount of the total price of the item (including any applicable shipping costs) in US funds. Money Orders or checks for more than the purchase price or in non-US funds will not be accepted. Checks must be drawn from a US financial institution.

The money

order must be accompanied by a typed paper outlining all of the following information: customer's name and/or company name, full physical contiguous US shipping address, full daytime phone number, email address and the exact name of the product as stated on the website. The address to send the above information to is Bayou Fitness, 6322 Union Ave., Shreveport, LA 71106 US. The money order or check should be made out to Bayou Fitness Products. Please note that money orders, bank checks and credit card checks are held 1-3 business days to verify the payment. Personal or business checks are held 10-14 business days to verify the payment.
